

TERMS AND CONDITIONS OF PURCHASE

1. **PURCHASE ORDER AN OFFER** – This Purchase Order (this “**Order**”) is an offer by BUYER to purchase the goods specified upon the terms and conditions stated herein. **ACCEPTANCE OF THIS ORDER IS EXPRESSLY LIMITED TO THE TERMS OF THE OFFER CONTAINED HEREIN. BUYER EXPRESSLY REJECTS ANY AND ALL COUNTEROFFERS MADE BY SELLER.** SELLER shall indicate its unqualified acceptance by written or oral acceptance or confirmation, by commencing work on this Order in any manner, or by delivering the goods (which term throughout this Order includes without limitation raw materials, components, intermediate assemblies and supplies). No terms stated by SELLER in its proposal or in accepting or acknowledging this Order shall be binding, and SELLER is hereby notified of BUYER’s objection to and rejection of any additional or different terms proposed by SELLER in its forms or in any other manner. Any such additional or different terms shall be deemed to be null and void and of no effect.
2. **PRECEDENCE** – Any inconsistencies between these Terms and Conditions of Purchase (these “**Terms and Conditions**”) and other terms expressly agreed to by BUYER shall be resolved in accordance with the following descending order of precedence: (1) the face of the Order to which these Terms and Conditions are attached or otherwise pertain, (2) any master purchase or supply agreement expressly agreed to and executed by the parties, and (3) these Terms and Conditions.
3. **PAYMENT** – Due dates for the payment of invoices shall be computed by the date of receipt by BUYER of a correct and complete invoice rendered within 60 days of the date on which goods are delivered in accordance with Section 10 below (Packing, Shipping, and Delivery). Terms of payment shall be 60 days from the receipt of such an invoice for all goods accepted by BUYER.
4. **CHANGES** – BUYER may at any time by a written order (“**Change Order**”) make changes in the drawings and specifications on any item. If such changes result in delay or additional expense to SELLER, an equitable adjustment of price and delivery schedule will be made. Failure to agree on any claim for equitable adjustment under this clause shall be a dispute and either party may thereupon pursue any remedy which it may have in any court of competent jurisdiction. Pending the resolution of any such dispute, SELLER shall diligently pursue the performance of this Order as changed.
5. **PRICES** – BUYER shall not be billed at prices higher than those last quoted or charged to BUYER or stated on the front of this Order, and the prices to be paid by BUYER hereunder shall not at any time be greater than the price paid by any of SELLER’s other customers for similar goods at similar quantities. Should SELLER offer to sell similar goods to any other customer at a lower price, SELLER shall promptly notify BUYER, and the parties shall modify the prices to reflect the more favorable pricing. In addition, SELLER shall provide BUYER with a credit for future purchases equal to the difference in the amounts paid by BUYER and the more favorable price offered, retroactively applied to the date of the first sale by SELLER at the lower price. Prices shall include all charges for packing, hauling, storage, transportation and insurance to the point of delivery, and all delivery charges in excess of those that BUYER has agreed to pay.
6. **TAXES** – Prices shall be exclusive of any Federal, State or local sales, use or excise taxes levied upon, or measured by, the sale, the sales price, or use of goods in the performance of this Order, or any taxes on property owned by the U.S. Government. SELLER shall list separately on its invoice any such tax applicable to any such goods and payable by BUYER with respect to which BUYER does not furnish to SELLER evidence of exemption. SELLER agrees to comply with

any reasonable request by BUYER regarding payments under protest and regarding any refunds, claims, litigation or proceedings with respect to any such taxes, and to make appropriate adjustments to afford BUYER the benefit of any refund or reduction in such taxes.

7. **SPECIFICATIONS** – If blueprints or specifications are furnished by the BUYER, this Order shall be based upon such blueprints or such specifications, provided that approval of samples by BUYER shall not relieve the SELLER from strict and full compliance with such blueprints or specifications. Articles or goods not conforming to such blueprints or specifications may be rejected.
8. **PROCESS MONITORING** – SELLER is responsible for monitoring its manufacturing processes performance and conducting sufficient process control, inspection, testing proactive and preventative measures to assure that all materials delivered to BUYER are in full compliance to specifications. Statistical sampling is strongly encouraged to insure that the manufacturing processes are in statistical control. Related information must be made available to BUYER upon BUYER's request. ISO 9001:2000 certification is preferred or strongly recommended for all suppliers. SELLER shall ensure that the goods conform to BUYER's specifications.
9. **INSPECTION AND ACCEPTANCE** – SELLER agrees to permit BUYER's inspectors to have access to SELLER's plant at all reasonable times for the purpose of inspecting the items as set forth in this Order and work in process for production of such items. All items are subject to final inspection and approval at BUYER's plant or other plant or other place designated by BUYER. Such inspection shall be made within a reasonable time after delivery irrespective of the date of payment and the date of payment and the payment for any item purchased hereunder shall not constitute approval or acceptance of such material by BUYER and BUYER's right of inspection shall survive payment. BUYER may return rejected items at SELLER's expense and SELLER shall bear all risk of loss as to rejected items. SELLER shall at BUYER's election, replace any rejected items returned to SELLER hereunder, refund the full purchase price thereof, including shipping costs, or BUYER may, at SELLER's expense, remedy any defects of nonconformity to specifications, drawings, or samples. If SELLER fails to do so, BUYER may cancel this Order as to all such goods and any remaining goods to be delivered under this Order. SELLER agrees to maintain inspection and quality control systems that conform to the requirements specified by BUYER. SELLER shall maintain authenticated inspection and test reports, affidavits, certifications and other documents which relate to work performed under this Order for a period of three (3) years from final payment of this Order, and shall make such information available upon request to BUYER. If this Order supports a U.S. Government contract, Federal Acquisition Regulation (“FAR”) 52.246-2 (Aug 1996) shall also apply.
10. **PACKING, SHIPPING, AND DELIVERY** – All items shall be prepared and packed for shipment in a manner that will prevent damage in transit. BUYER is not liable for extra charges for packing, cartage or any other expense related thereto unless stated in this Order. SELLER shall mark this Order number on each container. Deliveries shall be strictly in accordance with the schedule set out or referred to in this Order and in exact quantities ordered. Time is of the essence. If SELLER's deliveries fail to meet schedule, BUYER, without limiting its other rights or remedies, may (i) direct expedited routing and any excess costs incurred thereby shall be at SELLER's expense or (ii) cancel all or part of this Order in accordance with Section 14 (Default). SELLER will limit and phase expenditures, incurrence of costs, and purchases and subcontract commitments for raw materials and components in such fashion to ensure continuity in production and permit performance and completion of each production increment in sequence without creating any unreasonable accumulations of raw materials or work in process of components for any production increments. Shipments in excess of quantities or in advance of

schedule delivery dates as shown herein are not to be made without BUYER's written approval. BUYER reserves the right to return at SELLER's expense any shipments received contrary to this instruction.

SELLER may not negate, exclude, limit or modify any warranty otherwise available to BUYER. Any attempt by SELLER to do so is ineffective and shall not in any way bind BUYER. BUYER's inspection or acceptance of any goods or services, on BUYER's payment for goods or services shall not constitute a waiver by it of any warranty. None of the remedies available to BUYER for breach of any of the forgoing warranties may be limited except to the extent and in the manner agreed upon by BUYER in a separate agreement specifically designating such limitation and signed by an authorized representative of BUYER. The foregoing warranties shall run to BUYER and its successors, assigns and customers.
13. **CANCELLATION** – BUYER reserves the right to cancel this Order, or any part thereof, even though SELLER is not in default hereunder, by giving two days' written notice to the SELLER in the event of such cancellation, which period of time SELLER acknowledges is reasonable., BUYER shall pay for all goods and services delivered and completed and an equitable settlement shall be arrived at for the costs incurred by SELLER for goods and materials in process not to exceed the aggregate committed quantity and/or price specified in this Order. Upon receipt of any notice of cancellation hereunder, SELLER unless otherwise directed, will immediately discontinue all work in progress and immediately cancel all orders or subcontracts given or made pursuant to this Order. Exercise by BUYER of the rights of cancellation reserved in this paragraph shall give rise to no liability on the part of the BUYER except as specified in this paragraph and shall not have the effect of waiving damages the BUYER might otherwise be entitled to. In the event that this Order is placed in furtherance of BUYER's performance of a contract or subcontract for the benefit of the U.S. Government, BUYER may terminate work under this Order in accordance with Federal Acquisition Regulation (FAR) Section 52.249-2 (Termination for Convenience of the Government (May 2004)); provided, however, that BUYER's obligation shall in no event exceed the total firm amount of this Order, and BUYER will pay the SELLER at such time as BUYER is paid by the United States Government.

If SELLER fails to perform, or breaches any of the terms, BUYER reserves the right immediately upon such failure of performance or breach, and without any liability to BUYER (i) to cancel this Order in whole or in part by written notice by SELLER, or (ii) after notifying SELLER of such failure or breach and of BUYER's intent to exercise such right, to obtain the goods from another source, with any excess costs resulting there from, chargeable to SELLER. SELLER shall be liable for BUYER's damages in connection with such

breach or failure to perform including consequential damages reasonably foreseeable by SELLER or of which SELLER was apprised by BUYER; provided, however, the SELLER shall not be responsible for delays defaults occasioned by fires, Acts of God, wars or riots; but in the event of such occurrence, BUYER reserves the right to cancel this Order without liability of any kind.

15. **INDEMNIFICATION** – SELLER agrees to indemnify and hold harmless BUYER, its successors, assigns, customers and users of its goods, against all suits at law or in equity and from all damages, claims and demands arising out of the death or injury of any person or damage to any property alleged to have resulted from the goods hereby ordered, and/or resulting from any act or omission of SELLER, its agents or employees and upon the tendering of any suit or claim to SELLER, to defend the same at SELLER's expense as to all cost, fees and damages. SELLER shall not substitute any property for BUYER's property and shall not use such property except in filling BUYER's Orders. SELLER shall hold such property at its own risk and upon BUYER's written request redeliver the property to BUYER in the same condition as originally received by SELLER, reasonable wear and tear excepted. Title to and right of possession to special tooling,
