CALIFORNIA PROPOSITION 65 COMPLIANCE STATEMENT**17th April 2024**

California Proposition 65 is known as the Safe Drinking Water and Toxic Enforcement Act of 1986. It refers to the California legislation intended to protect California citizens and the state's drinking water sources from chemicals known to cause cancer, birth defects and other reproductive harm. It is also to inform citizens about exposure to such chemicals.

TT Electronics Welwyn Components Ltd is committed to meet regulatory requirements and we work with our suppliers to monitor impact on chemicals, preparations and articles supplied to us that are used to make our products.

All standard lead (Pb) - free fixed resistor products manufactured by TT Electronics Welwyn Components Ltd, including associated packing materials do not contain listed substances and do not require a California Proposition 65 warning label.

For further details on individual products, see the Compliance Tab of the information page for the relevant product on our website. Enter the relevant product type in the Product Data Search box at <http://www.ttelectronics.com>.
