**US TSCA Statement**

Dear Valued Customer,

TT Electronics-BI Technologies Mexicali is committed to comply with regulatory compliance efforts and continue to monitor potential safety, health, and environmental impact of our products. We work with our suppliers to monitor impact on chemicals, preparations and articles supplied to us that are used to make our products that will meet the Toxic Substances Control Act (TSCA).

On January 6, 2021, OPPT published the final rules for Section 6(h) of TSCA. These rules restrict companies from distributing the following five toxic substances, or products containing these substances:

1. Phenol, isopropylated phosphate 3:1 (PIP 3:1)
2. Pentachlorothiophenol (PCPT)
3. Decabromodiphenyl Ether (DecaBDE)
4. Hexachlorobutadiene (HCBD)
5. 2,4,6-TTBP (tris(tert-butyl)phenol)

As of March 8, 2021, companies must demonstrate due diligence to the EPA through recordkeeping and customer communication if any of these substances are present in parts or products sold in the U.S.

TT Electronics-BI Technologies Mexicali complies with all applicable rules or orders under the Toxic Substances Control Act for our manufactured products.
