

Power Solutions Product Change Notification

PCN Number	BED.PCN-32
PCN Title	EOL – NPN Power Transistor (BUX11)
PCN Date	25-03-2024
Type of Change	<input checked="" type="checkbox"/> End of Life Notification <input type="checkbox"/> Manufacturing Facility Change or Addition <input type="checkbox"/> Datasheet Specification Change <input type="checkbox"/> Other: <input type="checkbox"/> Material Change <input type="checkbox"/> Process Change <input type="checkbox"/> Design Change
Manufacturing Location(s) Affected	N/A
Date of Change Implementation	15-04-2024

Products Affected	
TT Series	Datasheet Link
BUX11	https://www.ttelectronics.com/Products/Power/Semiconductors/BUX11

Change Detail	
Description of Change	Product Obsolete.
Reason for Change	The product has become obsolete due to the source semiconductor die material becoming obsolete without a suitable alternative replacement available
Implementation Plan	Material to be obsolete 90 days from the implementation date of this PCN. Last time purchase available, see recommendations below.
Customer Impact	Considered to be low due to sales volumes / infrequent demand.
Recommendations	A limited last-time purchase (LTP) is available. Due to material limitations the LTP is restricted to the best yield from 350 devices. Customers should consider their future demand, discuss with the TT sales team and place orders before the 17 th June 2024.
Availability of Previously Manufactured Product	Not Applicable
Availability of Approval Samples	Not Applicable
Sales Contacts	Americas: Kevin Marzano kevin.marzano@ttelectronics.com Europe: Claudia Patzak-Kruger Claudia.patzak@ttelectronics.com Asia: Janson Chuen janson.chuen@ttelectronics.com

Approvals			
	Name	Title	Date
Issued by	Dave Watt	Product Development Engineer	25-03-2024
Approved by	Paul Wallace	Discrete Components Engineering Manager	08/04/2024
Approved by	Mark Grainger	Quality	09/04/2024
Approved by	Klaus Zwerschina	VP Sales	26/03/2024
