2N6660-N2	2N6660CSM4-N1	2N6660CSM4-N2
U2N6660CSM4JQRB.01	2N6660CS4JQRB.01	

Table 1 Affected Products List

2 Change Information

2.1 Detail of change

The products are now end of life due to the semiconductor die required to manufacture these products has become unavailable for future procurement.

2.2 Change impact

The products listed are End of Life. Opportunity for last time purchase of these products will be limited to source material stock availability. Customers are requested to contact Sales team immediately to discuss options as the last time purchase option closes on the 17th March 2023.

TT Electronics will work with customers to explore options for die types for new product development if commercially viable. Please contact Sales for enquiries regarding new designs using the details in the footer of this notification

3 Implementation of change

3.1 Implementation date

The End of Life notification is with Immediate effect.

4 Contact information

To contact TT Electronics regarding this change please use the details at the foot of this document, or contact your local sales representative.
