

TO: TT Electronics Customers and Partners
FROM: April Oliver, Global Product Marketing Specialist
SUBJECT: Temporary Unavailability of OPB9000 Family Series

MEMORANDUM

Date: February 15, 2022

Dear Valued Customer,

The OPB9000 is currently not available due to a re-design of the package. The estimated date for this part to be available again is November 2022. We will honor existing design registrations and renew design registrations after this part becomes available. Once this part is available for sale, we can resume normal quotes. A complete list of impacted Finish Goods listed in Page 2.

At TT Electronics, we strive to manufacture world-class products that deliver the best user experience possible.

We thank you for your patience and invaluable support during this time.

Sincerely,

A handwritten signature in black ink, appearing to be 'April Oliver', with a stylized, cursive script.
