Introduction

This file contains PCN information for the product(s) referenced by the file name.

Note that the file may contain multiple PCNs. If this is the case, they are arranged in chronological order, so to see the most recent PCN scroll to the end.

General Note

TT Electronics reserves the right to make changes in product specification without notice or liability.
All information is subject to TT Electronics' own data and is considered accurate at time of going to print.

Change Detail	
Description of Change TT Electronics is declaring that production of the products listed above is being transferred from TT Electronics Corpus Christi to TT Electronics Dallas	
Reason for Change	TT Electronics are creating a Thin Film Resistor Centre Of Excellence in Dallas, USA
Implementation Plan	There will be no disruption to the supply chain. Any customers who do wish to place a Last Time Buy order of Corpus Christi manufactured product must do so by 31 st January 2021 with a final ship date of 31 st August 2021 All products will be qualified in line with their respective datasheets and qualification test reports will be available upon request.
Customer Impact	There is no impact on product fit, form or function & there will be no disruption to the supply chain. All product qualifications will remain unchanged
Recommendations	Customers are advised to order in line with their qualification requirements.
Availability of Previously Manufactured Product	N/A

Availability of Approval Samples	Samples manufacture in the Dallas facility will be available from Q1 2022

Change Detail	
Description of Change	TT Electronics is announcing that the family WIN is being taken End of Life, (EOL). This applies to all variants of the series.
Reason for Change	Declining volumes do not justify long-term manufacture of this product group.
Implementation Plan	A Last Time Buy is not available
Customer Impact	All part numbers are EOL and unavailable to order from TT Electronics. Open orders at time of EOL implementation will continue to be fulfilled in 2025.
Recommendations	Please contact your local Sales / FAE team for assistance in selecting the best alternative product. Drop-in replacements include PFC - Precision Tantalum Nitride chip resistors https://www.ttelectronics.com/TTElectronics/media/ProductFiles/Datasheet/pfc-s.pdf See Appendix A attachment for PFC equivalent part numbers
