
STATEMENT OF GENERAL POLICY

Welwyn Components Ltd is a subsidiary of TT Electronics Plc. It designs and manufactures custom built hybrid integrated circuits and assemblies, designs and manufactures discrete leaded and surface mount resistors, and it procures and supplies other types of passive components for electronic applications. We commit to ensuring and maintaining high standards of health, safety and welfare of our employees, visitors, contractors and others affected by our work activity. Through directors and the senior management team, Welwyn Components Ltd commits to legal compliance to prevent incidents of ill health and personal injury to continuously improve the management of Health and Safety. In alignment with the TT group our overall aim is to have zero harm incidents.

Implementation of this policy will be achieved by compliance with legal and other Health & Safety requirements related to our work activities, the provision of safe and adequate plant, equipment, materials and work systems, strong safety supervision, instruction and training to ensure competence in our workforce.

Welwyn Components Ltd will conduct risk assessments of existing operations and any changes/additions thereto, so as to identify hazards and implement appropriate corrective control measures to reduce risks to as low as reasonably practicable.

Co-operation on the part of all the employees and engagement of employees in implementing key elements of the Health and Safety management system is vital to the success of the objectives of our Health and Safety policy and this will be increasingly encouraged.

Welwyn Components Ltd will measure, monitor and improve its performance in Health and Safety matters set out in this policy, and openly and effectively consult and communicate with all employees and others to ensure the promotion of the benefits of the management of health and safety, standards and performance.

The policy will be kept up to date, particularly as the business changes in nature and size. To ensure this, the policy and objectives will be reviewed annually.

The responsibility for implementation and monitoring of the policy is vested in the Operations General Manager for Welwyn Components Limited, Bedlington.
