Notes:

1. A member who is an individual is entitled to attend, speak and vote at the meeting or to appoint one or more other persons as his proxy to exercise all or any of his rights on his behalf. Further details of how to appoint a proxy, and the rights of proxies, are given in the paragraphs below. A member that is a company can appoint one or more corporate representatives (such as a director or employee of the company) whose attendance at the meeting is treated as if the company were attending in person, or it can appoint one or more persons as its proxy to exercise all or any of its rights on its behalf. In each case, a person attending the meeting will need to provide the Company or its registrars, Equiniti Limited, with evidence of their identity and, if applicable, their appointment as a proxy or corporate representative with authority to vote on behalf of a member.
2. A shareholder may appoint more than one proxy in relation to the Annual General Meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company. To appoint a proxy or proxies shareholders must: (a) submit a proxy electronically at www.sharevote.co.uk; or (b) complete a form of proxy, sign it and return it, together with the power of attorney or other authority (if any) under which it is signed, or a notarially certified copy of such authority, to the Company's registrars, Equiniti Limited, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA; or (c) complete a CREST Proxy Instruction (as set out in paragraph 11 below), in each case so that it is received no later than 11.30 am on 17 May 2011. To appoint more than one proxy, you will need to complete a separate form of proxy in relation to each appointment. A form of proxy for use in connection with the Annual General Meeting is enclosed with this document. Full details of the procedure to submit a proxy electronically are given on the website www.sharevote.co.uk. To use this service, you will need your Voting ID, Task ID and Shareholder Reference Number printed on the form of proxy. If you do not have a form of proxy and believe that you should, please contact the Company's registrars, Equiniti Limited on 0871 384 2396* (or +44 121 415 7047 if calling from outside the United Kingdom) or at Equiniti Limited, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA.
3. You will need to state clearly on each form of proxy the number of shares in relation to which the proxy is appointed. A failure to specify the number of shares to which each proxy appointment relates or specifying a number of shares in excess of those held by the member will result in the proxy appointment being invalid.
4. The return of a completed form of proxy or any CREST Proxy Instruction (as described in paragraph 11 below) will not prevent a shareholder attending the Annual General Meeting and voting in person if he/she wishes to do so.
5. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).
6. Any person to whom this Notice is sent who is a person nominated under section 146 of the Companies Act 2006 to enjoy information rights (a "Nominated Person") may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the Annual General Meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.
7. The statement of the rights of shareholders in relation to the appointment of proxies in paragraphs 1, 2 and 3 above does not apply to Nominated Persons. The rights described in these paragraphs can only be exercised by shareholders of the Company.
8. Pursuant to regulation 41 of the Uncertificated Securities Regulations 2001, the Company gives notice that only those shareholders included in the register of members of the Company at 6.00 pm on 17 May 2011 or, if the meeting is adjourned, in the register of members at 6.00 pm on the day which is two days before the day of any adjourned meeting, will be entitled to attend and to vote at the Annual General Meeting in respect of the number of shares registered in their names at that time. Changes to entries on the share register after 6.00 pm on 17 May 2011, or, if the meeting is adjourned, in the register of members at 6.00 pm on the day which is two days before the day of any adjourned meeting, will be disregarded in determining the rights of any person to attend or vote at the Annual General Meeting.
9. As at 21 March 2011, the Company's issued share capital comprised 155,128,896 ordinary shares of 25 pence each. Each ordinary share carries the right to one vote at a general meeting of the Company and, therefore, the total number of voting rights in the Company as at 21 March 2011 is 155,128,896.
10. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Annual General Meeting and any adjournment(s) of the meeting by using the procedures described in the CREST Manual (available via www.euroclear.com/CREST). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

* Calls to this number are charged at 8p per minute from a BT landline. Other telephony provider costs may vary. Lines are open from 8.30 am to 5.30 pm, Monday to Friday.

-
11. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company's agent (IDRA19), by the latest time for receipt of proxy appointments set out in paragraph 2 above. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
 12. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed any voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
 13. Under section 527 of the Companies Act 2006 members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the Annual General Meeting; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Companies Act 2006. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Companies Act 2006. Where the Company is required to place a statement on a website under section 527 of the Companies Act 2006, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the Annual General Meeting includes any statement that the Company has been required under section 527 of the Companies Act 2006 to publish on a website.
 14. Any member attending the meeting has the right to ask questions. The Company must answer any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
 15. You may not use any electronic address provided in this Notice, or any related documents including the form of proxy to communicate with the Company for any purposes other than those expressly stated.
 16. A copy of this Notice, and other information required by section 311A of the Companies Act 2006, can be found at the Investor Relations section of the Company's website, www.ttelectronics.com.

Explanatory notes

Resolutions 1–8 deal with the usual AGM business and are self-explanatory.

Resolution 9 – Authority to the Directors to allot shares

The Companies Act 2006 provides that the Directors may only allot shares if authorised by shareholders to do so. Resolution 9 will, if passed, authorise the Directors to allot new shares up to a maximum nominal amount of £25,854,816, which represents an amount which is approximately equal to two-thirds of the issued share capital of the Company as at 21 March 2011, the latest practicable date prior to the publication of this document.

As provided in paragraph (a) of the resolution, up to half of this authority (equal to one-third of the issued ordinary share capital of the Company) will enable Directors to allot and issue new shares in whatever manner (subject to pre-emption rights) they see fit. Paragraph (b) of the resolution provides that the remainder of the authority (equal to a further one-third of the issued share capital of the Company) may only be used in connection with a rights issue in favour of ordinary shareholders. As paragraph (a) imposes no restrictions on the way the authority may be exercised, it could be used in conjunction with paragraph (b) so as to enable the whole two-thirds authority to be used in connection with a rights issue. Where usage of the authority exceeds the one-third threshold in the circumstances set out in the guidance issued by the Association of British Insurers (the “ABI”) the Directors will stand for re-election at the following AGM, to the extent required by the ABI.

The authority will expire at the earlier of the date that is 15 months after the date of the passing of the resolution and the conclusion of the next Annual General Meeting of the Company.

Passing resolution 9 will ensure that the Directors continue to have the flexibility to act in the best interests of shareholders, when opportunities arise, by issuing new shares. There are no current plans to issue new shares except in connection with employee share schemes.

As at 21 March 2011, the latest practicable date prior to the publication of this document, the Company had 155,128,896 ordinary shares of 25 pence each in issue.

Resolution 10 – Authority to the Directors to establish the TT electronics plc USA Stock Purchase Plan 2011 (the “US Stock Purchase Plan”)

At the Annual General Meeting held on 12 May 2010, shareholders passed a resolution authorising the Directors to establish the TT electronics plc Sharesave Scheme 2010 (“the Sharesave Scheme”) and to extend the Sharesave Scheme to countries outside the UK by means of further schemes taking account of local tax, exchange control or securities law in the relevant jurisdictions. The Sharesave Scheme was launched to UK employees in September 2010.

Resolution 10 will, if passed, establish the TT electronics plc USA Employee Stock Purchase Plan 2011 (the “US Stock Purchase Plan”). The US Stock Purchase Plan is what is known as a “Section 423 plan” and is the nearest equivalent to the Sharesave Scheme that is available in the US. However, the reason the Company is contacting shareholders again is that, under US federal tax rules, it is not possible to establish this scheme without seeking further shareholder approval despite the authority which shareholders gave last year to extend the UK Sharesave Scheme internationally.

The principal terms of the US Stock Purchase Plan can be summarised as follows:

Operation

The operation of the US Stock Purchase Plan will be supervised by the Board of Directors of the Company or a duly authorised committee (the “Board”).

The Stock Purchase Plan provides a means by which US employees of the Company and its subsidiaries may be given the opportunity to acquire TT electronics plc ordinary shares (“Shares”) and is designed to achieve tax benefits under Section 423 of the US Internal Revenue Code of 1986 (the “Code”).

Eligibility

All employees of the Company and its subsidiaries are technically eligible to participate in the US Stock Purchase Plan subject to certain minimum service requirements, but it is expected that only US employees will wish to do so.

Offering

The US Stock Purchase Plan will be implemented by offering periods within which the option must be exercised. The length of the offering periods will be determined by the Board, but in any event will not exceed 27 months.

Participation

To participate in the US Stock Purchase Plan, each eligible employee must authorise savings contributions pursuant to the US Stock Purchase Plan, which will generally be collected through payroll deductions. Such payroll deductions may not exceed the individual limits specified below. At the end of the relevant period or such earlier date as is permitted under the US Stock Purchase Plan, the savings contributions together with any accumulated interest as at that date would then be used to acquire Shares under the US Stock Purchase Plan.

Options under the US Stock Purchase Plan are not transferable (other than to a participant's personal representatives in the event of his or her death) and do not form part of pensionable earnings.

Overall Limit

The aggregate number of Shares available under the US Stock Purchase Plan may not exceed 6,000,000, although it is currently extremely unlikely that the Company would ever be able to grant options up to this level given its number of US employees. In any event the aggregate number of Shares issued or committed to be issued pursuant to acquisitions made or to be made under the US Stock Purchase Plan and all other employee share schemes established by the Company may not exceed 10% of the issued ordinary share capital of the Company from time to time.

Individual Limit

Acquisitions under the US Stock Purchase Plan are limited to \$6,500 annually for each employee. This limit may be adjusted from time to time provided the adjustment is broadly consistent with the Sharesave Scheme in the UK. Additionally, in no event can an employee acquire Shares under the Stock Purchase Plan which would, when added to the fair market value of Shares acquired by such employee pursuant to all other employee share schemes established by the Company and its subsidiaries, have a fair market value exceeding \$25,000 in a given calendar year.

Shares acquired by employees will be held on trust on their behalf and can be held in the trust for as long as they remain employed by the Company or its subsidiaries.

Purchase Price

The purchase price for Shares acquired under the US Stock Purchase Plan is an amount equal to 85% of the fair value of the Shares at the time of acquisition.

Termination of Employment

Termination of a participant's employment for any reason, including death, immediately cancels his or her option and participation in the US Stock Purchase Plan. In such event, the contributions credited to the participant's account will be returned without interest to him or her or, in the case of death, to the person or persons entitled to those contributions.

Amendment and Termination

The Board may amend the US Stock Purchase Plan in any respect, except that (a) if shareholder approval of any such amendment is required by Section 423 of the Code or an amendment is made to the advantage of eligible persons under the plan, the individual or plan limits, the maximum individual entitlement and the basis for determining adjustments on a variation of capital, such amendment shall not be effected without prior shareholder approval (except for minor amendments to benefit the administration of the plan, to take account of a change in legislation or to obtain or maintain favourable tax, exchange control or regulatory treatment for participants, the Company or any subsidiary); and (b) no amendment may be made which would cause the Stock Purchase Plan to fail to comply with Section 423 of the Code.

The US Stock Purchase Plan will terminate on the tenth anniversary of the date of adoption unless previously terminated by the Board.

Resolution 11 – Partial disapplication of statutory pre-emption rights

The Companies Act 2006 requires that, if the Company issues new shares for cash or sells any treasury shares, it must first offer them to existing shareholders in proportion to their current holdings. It is proposed that the Directors be authorised to issue new shares for cash and/or sell shares from treasury (if any are so held) up to an aggregate nominal amount of £1,939,111 (representing approximately 5% of the Company's issued share capital as at 21 March 2011, the latest practicable date prior to the publication of this document) without offering them to shareholders first, and to modify statutory pre-emption rights to deal with legal, regulatory or practical problems that may arise on a rights or other pre-emptive offer or issue. The Board does not intend to issue more than 7.5% of the issued share capital of the Company on a non-pre-emptive basis in any rolling three year period. If resolution 11 is passed, this authority will expire at the same time as the authority to allot new shares given pursuant to resolution 9.

The Directors consider this authority necessary in order to give them flexibility to deal with opportunities as they arise, subject to the restrictions contained in the resolution.

Resolution 12 – Purchase of own shares by the Company

If passed this resolution will grant the Company authority for a period of up to 15 months after the date of passing of the resolution to buy its own shares in the market. The resolution limits the number of shares that may be purchased to 10% of the Company's issued share capital as at 21 March 2011, the latest practicable date prior to the publication of this document. The price per ordinary share that the Company may pay is set at a minimum amount (excluding expenses) of 25 pence per ordinary share and a maximum amount (excluding expenses) of the higher of: (i) 5% above the average of the previous five days' middle market prices; and (ii) the higher of the price of the last independent trade and the highest current independent bid on the trading venue where the purchase is carried out. This authority will only be exercised if market conditions make it advantageous to do so.

The Directors' present intention is that shares purchased pursuant to this authority will be cancelled immediately on purchase. Alternatively, the shares may be held in treasury, sold for cash or (provided Listing Rule requirements are met) transferred to an employee share scheme. The effect of any cancellation would be to reduce the number of shares in issue. For most purposes, while held in treasury, shares are treated as if they have been cancelled (for example, they carry no voting rights and do not rank for dividends). The Directors will only make purchases under this authority if they believe that to do so would result in an increased earnings per share and would be in the interests of shareholders generally.

As at 21 March 2011, the latest practicable date prior to the publication of this document, options and LTIP awards to subscribe for ordinary shares were outstanding over 5,523,681 ordinary shares of 25 pence each in the Company, representing approximately 3.5% of the issued share capital of the Company at that date. If the proposed market purchase authority were used in full and the repurchased shares cancelled, shares over which options and LTIP awards were outstanding would, as at that date, represent approximately 3.9% of the Company's issued share capital.

Resolution 13 – Notice of General Meetings

In order to preserve its flexibility to call general meetings (other than an Annual General Meeting) on 14 clear days' notice, the Company must offer all shareholders the opportunity to appoint a proxy electronically (via the website of the Company or its registrars) and must obtain the approval of its shareholders by means of a special resolution passed each year. Resolution 13 seeks such approval. It is intended that this flexibility will only be used for non-routine business and where merited in the interests of shareholders as a whole. A similar resolution will be proposed at future Annual General Meetings.
