In these standard terms and conditions (“**Terms**”) “**Supplier**” means **WELWYN COMPONENTS LIMITED** (part of the TT Electronics group of companies), having its principal place of business at Welwyn Electronics Park, Bedlington, Northumberland, NE22 7AA, UK and “**Purchaser**” means the party contracting with Supplier (together the “**Parties**”, each a “**Party**”).

1. BASIS OF CONTRACT

- 1.1 These Terms are the only terms which govern the sale of the goods (“**Goods**”) and/or services (“**Services**”) by Supplier to Purchaser and shall apply to each order for Goods and/or Services from Purchaser (“**Order**”).
- 1.2 These Terms shall apply: (a) whether the Order is submitted by a written purchase order or otherwise; and (b) to the exclusion of any other terms that Purchaser seeks to impose or incorporate. Including, without limitation, any terms Purchaser may supply with, or reference, in the Order, or which may be implied by trade, custom, practice or course of dealing.
- 1.3 Each Order constitutes an offer by Purchaser to purchase the Goods and/or Services specified in the Order in accordance with these Terms. The Order shall only be deemed to be accepted when Supplier issues written acceptance of the Order (“**Sales Confirmation**”) at which point a binding contract is created between the Parties consisting of these Terms and the requirements for the Goods and/or Services specified in the Order (“**Contract**”).
- 1.4 In the event that any part of the Order utilises electronic data interchange, internet or third-party portals or any electronic means, this Contract will continue to apply to the Order.

2. DELIVERY OF GOODS

- 2.1 All Goods are supplied Ex Works (Incoterms 2020) Supplier’s premises unless specifically agreed to the contrary in any Order. Any dates quoted for delivery are approximate only and the time of delivery is not of the essence.
- 2.2 If Goods are ready for delivery and Purchaser fails to take delivery on the date required by the Contract, or after seven (7) days’ written notice from Supplier where no such date is specified, Supplier shall be entitled to: (a) issue an invoice for such Goods; and (b) charge Purchaser for all additional costs and expenses (including, without limitation, warehousing and insurance) until delivery takes place.
- 2.3 If Purchaser fails to take delivery within thirty (30) days of the date of invoice it shall be deemed to have waived its rights under the Contract, and without prejudice to any other right that Supplier may have against Purchaser, including the right to recover the purchase price in full, Supplier shall be entitled to resell the Goods.
- 2.4 Any right of Purchaser to reject the Goods and/or terminate the Contract for late delivery of the Goods shall not be exercisable unless Purchaser has first served written notice on Supplier requiring Supplier to complete delivery of the Goods within not less than thirty (30) days of service of that notice on Supplier in accordance with Section 14. Supplier shall not be liable for any delay in delivery of the Goods caused by Purchaser’s action or inaction including, without limitation, failure to provide Supplier with adequate delivery instructions or any other information applicable to the supply of the Goods. If Supplier fails to deliver, or is late in delivering the Goods, Supplier’s liability shall be limited to the price of the Goods.
- 2.5 Purchaser shall promptly inspect all delivered Goods and shall notify Supplier in writing of any issues regarding the Goods delivered, including, without limitation, as to quantity, type and quality, within ten (10) days of receipt of the Goods. In the absence of any such notification Purchaser shall be deemed to have accepted the Goods and no claims may be brought for over or under delivery, or for delivery of incorrect Goods.
- 2.6 Where Purchaser requests that the Goods are supplied with any form of release certificate or documentation, Supplier reserves the right to make a reasonable additional charge for providing such certificate or documentation. Supplier shall have no obligation to supply any form of release certificate or documentation, unless agreed in the Contract.

- 2.7 Supplier may deliver the Goods by instalments, which shall be invoiced and paid for separately. Each instalment shall constitute a separate contract. Any delay in delivery or defect in an instalment shall not entitle Purchaser to cancel any other instalment.
- 2.8 Any variation in quantities of the Goods shipped over or under the quantities ordered (not to exceed 5%) shall constitute compliance with the Order and the unit price will continue to apply, and the price payable shall be adjusted pro rata according to the quantity of Goods delivered.
