6 April 2022

Dear Shareholder,

I am pleased to provide you with details of our Annual General Meeting ("AGM") which we will be holding at the offices of Allen & Overy LLP, One Bishops Square, London, E1 6AD on Friday 13 May 2022 at 10.00am. The AGM is an important opportunity for the Board of TT Electronics to engage with our shareholders and your vote is, as always, very important to us.

AGM arrangements and voting

We currently hope to welcome shareholders in person at our AGM this year, subject to any Government guidelines in force at the time of the meeting. If you plan to join us at the meeting, an attendance card is enclosed and directions to the venue can be found on the last page of this booklet. If you are unable to attend the AGM I would urge you to vote on each of the resolutions set out in this Notice by either:

- i) registering your vote online at www.sharevote.co.uk;
- ii) if you are a CREST member, submitting your proxy through the CREST Electronic Proxy Appointment Service (IDRA19); or
- iii) completing and returning the enclosed Form of Proxy to our registrar

in each case so it is received no later than 10.00am on 11 May 2022. In line with best practice, voting at the AGM will be on a poll, so that every vote is duly recognised.

We are keen to hear all your views, and to answer your questions on the business of the AGM. If you are able to attend the AGM in person (Government guidelines permitting) you will be able to ask questions during the meeting in the normal way. If you are unable to attend the AGM in person, you can submit any questions in advance by emailing us at company.secretary@ttelectronics.com as soon as possible and before close of business on 4 May 2022. This will enable us to respond to you before the deadline for appointing proxies, so that you can make a fully informed voting decision. Please include your full name and your shareholder reference number in your email.

In view of the unpredictability of the COVID-19 pandemic, please also check the latest Government guidelines at the time of the meeting before you travel to the venue. Please also check our website www.ttelectronics.com/investors/shareholder-info/agm-gm regarding any changes to the AGM arrangements as a result of local or national restrictions or any additional COVID safety measures at the AGM venue.

Director re-elections

As in previous years, each of the Board Directors will stand for re-election at this year's AGM. A summary of the skills brought to the Board by the Directors can be found on pages 3 and 4 of this Notice. Following the outcome of the annual evaluation process, I have concluded that each Director continues to be effective and to demonstrate commitment to the role.

Voting recommendation and results

The Board considers that the resolutions contained in this Notice of Annual General Meeting 2022 are in the best interests of the Company and its shareholders as a whole. Accordingly, the Directors unanimously recommend that you vote "FOR" the resolutions as they intend to do in respect of their own beneficial holdings.

This authority shall expire, unless previously revoked or renewed by the Company in general meeting, at the conclusion of the next Annual General Meeting of the Company after the passing of this resolution or, if earlier, at the close of business on 1 July 2023, except that the Company may at any time before such expiry make any offer or agreement which would or might require equity securities to be allotted or equity securities held as treasury shares to be sold after such expiry and the Directors may allot equity securities and/or sell equity securities held as treasury shares in pursuance of such an offer or agreement as if the power conferred by this resolution had not expired.

- (b) this power shall expire at the conclusion of the next Annual General Meeting of the Company after the passing of this resolution or, if earlier, at the close of business on 1 July 2023; and

(c) the Company may, before this power expires, make an offer or enter into an agreement, which would or might require equity securities to be allotted after it expires and the Directors may allot equity securities in pursuance of such offer or agreement as if this power had not expired.

16 That, in accordance with section 701 of the Companies Act 2006, the Company be and is generally and unconditionally authorised to make market purchases (as defined in section 693(4) of that Act) of its ordinary shares of 25 pence each on such terms and in such manner as the Directors may determine, provided that in doing so it:

- (a) purchases no more than 17,630,474 ordinary shares of 25 pence each in aggregate;
- (b) pays not less than 25 pence (excluding expenses) per ordinary share of 25 pence each; and
- (c) pays a price per ordinary share that is not more (excluding expenses) per ordinary share than the higher of: (i) 5% above the average of the middle market quotations for the ordinary shares as derived from the London Stock Exchange Daily Official List for the five business days immediately before the day on which it purchases that share; and (ii) an amount equal to the higher of the price of the last independent trade of an ordinary share and the highest current independent bid for an ordinary share on the trading venue where the purchase is carried out.

Explanatory notes to the resolutions

Resolution 1

Receipt of the Annual report and accounts

The Directors must present the Company's Annual report and accounts to the AGM.

Resolution 2

Approval of the Directors' Remuneration report

Shareholders are asked to approve the Directors' Remuneration report, which comprises the statement by Alison Wood (the Chair of the Remuneration Committee) on pages 98 to 105 of the Annual report and accounts, and the report on Directors' remuneration on pages 108 to 118 of the Annual report and accounts (but excluding the Directors' Remuneration Policy, set out on pages 106 and 107 of the Annual report and accounts).

The Directors' Remuneration report details payments made to Directors during the year ended 31 December 2021 and other information. As in previous years, this resolution is an advisory vote and does not affect the remuneration paid to any Director. No changes are proposed to the Directors' Remuneration Policy approved by shareholders at the AGM held in 2020. Information on our shareholder engagement following the result of the advisory vote on the Directors' remuneration report at last year's AGM is on page 118 of the Annual report and accounts.

Resolution 3

Declaration of final dividend

The Directors are recommending a final dividend of 3.8p per ordinary share for the year ended 31 December 2021. If approved by shareholders, the final dividend will be paid on 20 May 2022 to shareholders on the register as at close of business on 29 April 2022.

Resolutions 4 to 9

Re-election of Directors

Each of the Directors referred to in these resolutions will offer himself or herself for re-election at the AGM in accordance with the Company's articles of association and the UK Corporate Governance Code.

The Chairman has confirmed that, following the formal performance evaluation described on pages 89 and 91 of the Annual report and accounts, each Director's performance continues to be effective and to demonstrate commitment to the role. Jack Boyer, in his capacity as Senior Independent Non-executive Director, has confirmed that the Chairman is an effective Chairman and demonstrates commitment to his role as Chairman.

Biographical details for each Director, including relevant skills and experience that demonstrate why their contribution is, and continues to be, important to the Company's long-term sustainable success, are set out on pages 3 and 4 in this Notice of Meeting and also on pages 76 and 77 of the Annual report and accounts.

Resolutions 10 and 11

Re-appointment and remuneration of the Auditor

The Board is proposing the re-appointment of Deloitte LLP as the Company's Auditor, following the recommendation of the Audit Committee. Resolution 11 authorises the Audit Committee to determine the Auditor's remuneration. Deloitte LLP were appointed as the Company's Auditor at the AGM in 2020.

Resolution 12

Authority to make political donations or incur political expenditure

Part 14 of the Companies Act 2006, amongst other things, prohibits the Company and its subsidiaries from making UK political donations or from incurring political expenditure in respect of a political party or other political organisation or an independent election candidate unless authorised by the Company's shareholders. Aggregate donations made by the Group of £5,000 or less in any 12-month period will not be caught.

Neither the Company nor any of its subsidiaries has any intention of making any political donations or incurring any political expenditure. However, the Companies Act 2006 defines "political party", "political organisation", "political donation" and "political expenditure" widely. For example, bodies, such as those concerned with policy review and law reform or with the representation of the business community or sections of it, which the Company and/or its subsidiaries may see benefit in supporting, may be caught.

Accordingly, and in line with common practice among listed companies, the Company wishes to ensure that neither it nor its subsidiaries inadvertently commits any breaches of the Companies Act 2006 through the undertaking of routine activities, which would not normally be considered to result in the making of political donations or in political expenditure being incurred.

As permitted under the Companies Act 2006, the resolution covers the Company and extends to all companies which are subsidiaries of the Company at any time the authority is in place. The proposed authority will expire at the next annual general meeting of the Company or, if earlier, at close of business on 1 July 2023.

Resolution 13

Authority to allot shares

The Companies Act 2006 provides that the Directors may only allot shares if authorised by shareholders to do so. Resolution 13 will, if passed, authorise the Directors to allot new shares up to a maximum nominal amount of £29,384,122, which represents an amount which is approximately equal to two-thirds (66.66%) of the issued share capital of the Company as at 23 March 2022, the latest practicable date prior to the publication of this document.

As provided in paragraph (a) of the resolution, up to half of this authority (equal to one-third of the issued ordinary share capital of the Company) will enable the Directors to allot and issue new shares in whatever manner (subject to pre-emption rights) they see fit. Paragraph (b) of the resolution provides that the remainder of the authority (equal to a further one-third of the issued share capital of the Company) may only be used in connection with a rights issue. As paragraph (a) imposes no restrictions on the way the authority may be exercised, it could be used in conjunction with paragraph (b) so as to enable the whole two-thirds authority to be used in connection with a rights issue.

The authority will expire at the conclusion of the next AGM or, if earlier, the close of business on 1 July 2023. Passing Resolution 13 will ensure that the Directors continue to have the flexibility to act in the best interests of shareholders, when opportunities arise, by issuing new shares. There are no current plans to issue new shares except in connection with employee share schemes.

As at 23 March 2022, the latest practicable date prior to the publication of this document, the Company had 176,304,743 ordinary shares of 25 pence each in issue and no shares were held in treasury.

Resolution 14 (Special resolution)

General authority to disapply pre-emption rights

The Companies Act 2006 requires that, if the Company issues new shares for cash or sells any treasury shares for cash, then, unless statutory pre-emption rights have been disapplied, it must first offer them to existing shareholders in proportion to their current holdings. It is proposed that the Directors be authorised to issue new shares for cash and/or sell shares from treasury (if any are so held) for cash up to an aggregate nominal amount of £2,203,809 (representing approximately 5% of the Company's issued share capital as at 23 March 2022, the latest practicable date prior to the publication of this document) without offering them to shareholders first, and to modify statutory pre-emption rights to deal with legal, regulatory or practical problems that may arise on a rights issue or other pre-emptive offer or issue. The Directors do not intend to issue more than 7.5% of the issued share capital of the Company for cash on a non pre-emptive basis in any rolling three-year period (other than in connection with an acquisition or specified capital investment as described in the Pre-Emption Group's Statement of Principles) without prior consultation with shareholders.

Resolution 14 will be proposed as a special resolution to renew this authority until the conclusion of the next AGM or, if earlier, the close of business on 1 July 2023.

Resolution 15 (Special resolution)

Additional authority to disapply pre-emption rights

Resolution 15 requests further shareholder approval, by way of a separate special resolution in line with the best practice guidance issued by the Pre-Emption Group, for the Directors to allot equity securities or sell treasury shares for cash without first being required to offer such securities to existing shareholders. The proposed resolution reflects the Pre-Emption Group 2015 Statement of Principles for the disapplication of pre-emption rights (the "Statement of Principles") and will expire on 1 July 2023 or at the conclusion of the next AGM, whichever is the earlier.

The authority granted by this resolution, if passed:

- (a) will be limited to the allotment of equity securities and sale of treasury shares (if any are so held) for cash up to an aggregate nominal value of £2,203,809, which represents approximately 5% of the issued share capital of the Company as at 23 March 2022 (being the latest practicable date prior to publication of this document); and
- (b) will only be used in connection with an acquisition or other capital investment of a kind contemplated by the Statement of Principles, and which is announced contemporaneously with the allotment, or has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

The authority granted by this resolution would be in addition to the general authority to disapply pre-emption rights under Resolution 14. The maximum nominal value of equity securities which could be allotted if both authorities were used would be £4,407,618, which represents approximately 10% of the issued share capital of the Company as at 23 March 2022 (being the latest practicable date prior to publication of this document).

Explanatory notes to the resolutions continued

Resolution 16 (Special resolution)

Purchase of own shares by the Company

If passed, this resolution will grant the Company authority for a period expiring on 1 July 2023 or at the conclusion of the next AGM, whichever is the earlier, to buy its own shares in the market. The resolution limits the number of shares that may be purchased to approximately 10% of the Company's issued share capital as at 23 March 2022, the latest practicable date prior to the publication of this document. The price per ordinary share that the Company may pay is set at a minimum amount (excluding expenses) of 25 pence per ordinary share and a maximum amount (excluding expenses) of the higher of: (i) 5% above the average of the previous five days' middle market prices; and (ii) the higher of the price of the last independent trade and the highest current independent bid on the trading venue where the purchase is carried out.

The Directors' present intention is that any shares purchased pursuant to this authority will be cancelled immediately on purchase. Alternatively, the shares may be held in treasury, sold for cash or transferred pursuant to an employee share scheme. The effect of any cancellation would be to reduce the number of shares in issue. For most purposes, while held in treasury, shares are treated as if they have been cancelled (for example, they carry no voting rights and do not rank for dividends). The Directors will only make purchases under this authority if they believe that to do so would result in increased earnings per share and would be in the interests of shareholders generally.

As at 23 March 2022, the latest practicable date prior to the publication of this document, options, DSBP and LTIP awards to subscribe for ordinary shares were outstanding over 6,604,083 ordinary shares of 25 pence each in the Company, representing approximately 3.8% of the issued share capital of the Company at that date. If the full market purchase authority (both existing and sought) were used in full and the repurchased shares cancelled, shares over which options, DSBP and LTIP awards were outstanding would, as at that date, represent approximately 4.7% of the Company's issued share capital.

Resolution 17 (Special resolution) Notice of general meetings

In order to preserve its flexibility to call general meetings (other than an Annual General Meeting) on 14 clear days' notice, the Company must offer all shareholders the opportunity to appoint a proxy for its general meetings electronically (via the website of the Company or its registrars) and must obtain the approval of its shareholders by means of a special resolution passed each year. Resolution 17 seeks such approval. It is intended that this flexibility will only be used for non-routine business and where merited in the interests of shareholders as a whole. It is intended that a similar resolution will be proposed at future Annual General Meetings

Notes

- 1 A shareholder who is an individual is entitled to attend, speak and vote at the meeting or to appoint one or more other persons as his proxy to exercise all or any of his rights on his behalf. Further details of how to appoint a proxy, and the rights of proxies, are given in the paragraphs below. A shareholder that is a company can appoint one or more corporate representatives (such as a director or employee of the company) whose attendance at the meeting is treated as if the company were attending in person, or it can appoint one or more persons as its proxy to exercise all or any of its rights on its behalf. In each case, a person attending the meeting will need to provide the Company or its registrars, Equiniti Limited, with evidence of their identity and, if applicable, their appointment as a corporate representative with authority to vote on behalf of a shareholder.
- 2 A shareholder may appoint more than one proxy in relation to the Annual General Meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company. To appoint a proxy or proxies shareholders must: (a) submit a proxy appointment electronically at www.sharevote.co.uk; or (b) complete a Form of Proxy, sign it and return it, together with the power of attorney or other authority (if any) under which it is signed, or a notarially certified copy of such authority, to the Company's registrars, Equiniti Limited, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA; or (c) complete a CREST Proxy Instruction (as set out in paragraph 11 below), in each case so that it is received no later than 10.00am on 11 May 2022. To appoint more than one proxy, you will need to complete a separate Form of Proxy in relation to each appointment. A Form of Proxy for use in connection with the Annual General Meeting is enclosed with this document. Full details of the procedure to submit a proxy electronically are given on the website www.sharevote.co.uk. To use this service, you will need your Voting ID, Task ID and Shareholder Reference Number printed on the Form of Proxy. If you do not have a Form of Proxy and believe that you should, please contact the Company's registrars, Equiniti Limited, on 0371 384 2396 (or +44 121 415 7047 if calling from outside the United Kingdom) or at Equiniti Limited, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA. Lines are open from 8.30am to 5.30pm, Monday to Friday (except public holidays in England and Wales).
- 3 If appointing more than one proxy, you will need to state clearly on each Form of Proxy the number of shares in relation to which the proxy is appointed. A failure to specify the number of shares to which each proxy appointment relates or specifying a number of shares in excess of those held by the shareholder will result in the proxy appointment being invalid.
- 4 The return of a completed Form of Proxy, online proxy appointment, or any CREST Proxy Instruction (as described in paragraph 11 below) will not prevent a shareholder attending the Annual General Meeting and voting in person if he wishes to do so (Government guidelines permitting). You must inform the Company's registrars in writing of any termination of the authority of a proxy.
- 5 In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).
- 6 Any person to whom this Notice is sent who is a person nominated under section 146 of the Companies Act 2006 to enjoy information rights (a "Nominated Person") may, under an agreement between him and the shareholder by whom he was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the Annual General Meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.
- 7 The statement of the rights of shareholders in relation to the appointment of proxies in paragraphs 1, 2 and 3 above does not apply to Nominated Persons. The rights described in these paragraphs can only be exercised by shareholders of the Company. Nominated Persons are reminded that they should contact the registered holder of the shares (and not the Company) on matters relating to their investments in the Company.
- 8 Pursuant to regulation 41 of the Uncertificated Securities Regulations 2001, the Company gives notice that only those shareholders included in the register of members of the Company at 6.30pm on 11 May 2022 or, if the meeting is adjourned, in the register of members at 6.30pm on the day which is two days before the day of any adjourned meeting, will be entitled to attend and to vote at the Annual General Meeting in respect of the number of shares registered in their names at that time. Changes to entries on the share register after 6.30pm on 11 May 2022, or, if the meeting is adjourned, in the register of members after 6.30pm on the day which is two days before the day of any adjourned meeting, will be disregarded in determining the rights of any person to attend or vote at the Annual General Meeting.
- 9 As at 23 March 2022, the Company's issued share capital comprised 176,304,743 ordinary shares of 25 pence each, with no shares held in treasury. Each ordinary share carries the right to one vote at a general meeting of the Company and, therefore, the total number of voting rights in the Company as at 23 March 2022 is 176,304,743.

- 10 CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Annual General Meeting and any adjournment(s) of the meeting by using the procedures described in the CREST Manual (available via www.euroclear.com). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
- 11 In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company's agent (ID RA19), by the latest time for receipt of proxy appointments set out in paragraph 2 above. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
- 12 CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed any voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5) (a) of the Uncertificated Securities Regulations 2001.
- 13 Under section 527 of the Companies Act 2006, shareholders meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the Auditor's Report and the conduct of the audit) that are to be laid before the Annual General Meeting; or (ii) any circumstance connected with an Auditor of the Company ceasing to hold office since the previous meeting at which Annual accounts and reports were laid in accordance with section 437 of the Companies Act 2006. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Companies Act 2006. Where the Company is required to place a statement on a website under section 527 of the Companies Act 2006, it must forward the statement to the Company's Auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the Annual General Meeting includes any statement that the Company has been required under section 527 of the Companies Act 2006 to publish on a website.
- 14 Any shareholder attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if: (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information; (b) the answer has already been given on a website in the form of an answer to a question; or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
- 15 You may not use any electronic address provided in this Notice, or any related documents including the Form of Proxy, to communicate with the Company for any purposes other than those expressly stated.
- 16 A copy of this Notice, and other information required by section 311A of the Companies Act 2006, can be found on the Investor Relations section of the Company's website, www.ttelectronics.com.
- 17 All resolutions will be put to vote on a poll. This will result in a more accurate reflection of the views of shareholders by ensuring that every vote is recognised. On a poll, each shareholder has one vote for every share held.
